

A Distinguished School District with over 100 years of Excellence!

The Burgin Independent Schools is deemed a “Distinguished” public school district by the Kentucky Department of Education. Located in Mercer County, Kentucky, we are committed to the philosophy that students are best served in a small, structured, community laced environment. The district has been recognized by U.S. News & World Report, the Southern Association of Colleges and Schools, and as a High-Performance College and Career Ready district by the Kentucky Department of Education.

Quick Facts:

- Pupil/teacher ratio of 11:1
- Classroom set (5) iPads (K-5)
- 1 to 1 Google Chromebooks (6-12)
- Google Classroom Certified Teachers
- High Level Teaching and Learning
- Unlimited Dual Credit Offerings
- Advanced Placement Offerings
- 21 Career Pathway Programs
- Trailblazer Academy Partnership

“I enrolled at Burgin my freshman year and immediately felt like I fit in... Burgin provided a unique experience that I couldn't have received anywhere else and I wouldn't change a thing.”

-Steven McConaha, C'06
Project Manager, Lockheed Martin

FACILITIES

We are one of nine school districts in Kentucky that house all our P-12 classrooms in one building. Per KDE regulations, we just completed our District Facility Plan that is due every four years. Our Local Planning Committee comprised of community, staff, and faculty stakeholders, created our DFP to include a new media center, cafeteria and kitchen that will be coming in the near future!

FEATURED PROGRAMS

Classroom Technology

This technology provides students a mix of technology and traditional face-to-face instruction. Blended learning combines classroom learning with online learning, in which students can, in part, control the time, pace, and place of their individualized learning. Classroom iPads are used K-5. Google Chromebooks are used in our 1 to 1 program, 6-12.

Google Classrooms

With multiple Google certified teachers in our building, Google Classroom is a blended learning platform that provides paperless, efficient assignment creation and grading. Students are able to use a single login to view, complete, and turn in assignments, communicate with teachers, view and comment on teacher announcements, and view calendars with due dates. Mobile apps, available for iOS and Android devices, let users take photos and attach to assignments, share files from other apps, and access information offline.

High Level Teaching and Learning

Our teachers are experts in the Common Core Standards that they deliver each and every day. This, combined with our featured technology programs, take student learning to a new level.

Energy and Power Program

One of our new Engineering pathways, students in the energy and power track take high level courses that expose them to energy basics, power generation, distribution, emerging technologies, and management. This program is in partnership with Kentucky Utilities located just miles from our campus.

Unlimited Dual Credit Offerings

Burgin students can begin earning college credit through Dual Credit offerings through Murray State University, Campbellsville University, Eastern Kentucky University, and BCTC.

Advanced Placement Course Offerings

AP courses, such as AP US History, AP Calculus, AP Language, AP Computer Science Principles, AP Biology, AP Environmental Science, AP Physics, and AP Chemistry are offered to Burgin students.

Trailblazer Academy

Launching in 2018, our participation in the region's newest career academy will provide students with the opportunity to gain career certifications, collaborate with students across five schools, and position them for immediate acceleration into highly-sought after, competitive careers in healthcare, technology, engineering, and more. Academy designed by the Harrodsburg-Mercer County Industrial Authority in partnership with Burgin Independent, Mercer County, Danville Independent, KSD, and Anderson County.

We currently have the largest student enrollment in the history of the school! Learn more and experience the difference!
