To the Teachers, Administrators and Staff at Burgin Independent School:

Congratulations on the results from the 2016 Unbridled Learning for All Assessment and Accountability System. To rank as a Distinguished District and in the top 20% of the highest performing districts in Kentucky is a tremendous accomplishment. The gains made are the result of a lot of hard work by teachers, administrators and our students with the support of parents, community members and our education partners.

Teachers, thank you for doing the most important work of all – educating the next generation. You provide our students with the knowledge, tools, and motivation they need to succeed in the 21st century. Most of all, thank you for everything you have done and will continue to do to create a better future. There is no other profession that so directly shapes the world of tomorrow.

The Burgin Board of Education and Burgin School SBDM Council are proud of your accomplishments on the Kentucky Performance Rating for Educational Progress (K-PREP) assessments as well as your dedication to achieving the ultimate goal of the best possible education for every student in the Burgin Independent School System.

Sincerely,

Burgin Board of Education

Robbie Manning
